

# WE NEED A NEW TRASH MONSTER!

Submit Questions & Entries to Van Sullivan at [vksulliv@umass.edu](mailto:vksulliv@umass.edu)

---

DEADLINE  
10/2/2017

---

## PROJECT

We are looking for a new group of students who want to participate in a unique campaign to reduce waste with their own creation.

---

## GUIDELINES

1. Submit a 500 word project proposal explaining how your idea will raise awareness about the amount of disposable waste we consume at the Blue Wall. Your proposal must have a clear and positive message about waste reduction.
  2. Submit an image (if applicable).
  3. Submit an itemized budget for up to \$500.
  4. Identify a project lead who will be the personal contact for the assignment.
  5. Dismantling and repurposing the current Trash Monster must be part of the proposal
  6. Must occupy the same space as the Trash Monster with maximum allowable dimensions of 8 feet wide by 6 feet deep by 10 feet high.
  7. Must be appropriate for a foodservice environment – clean, nontoxic, and preferably hard washable surfaces (Trash Monster was not washable and probably would still be with us otherwise).
  8. Keep safety in mind and make sure your project is durable and will not tip over.
- 

## WINNER SELECTION

Judges are members of SGA, Dining Services, Campus Center Facilities and EH&S. The winning concept will be announced 10/12/2017 and receive \$500 to use on building the project. Your project will stay at the Blue Wall for a minimum of one year and be credited to your group.

---

## REFERENCE

The current Trash Monster lives on the west side of the Blue Wall between Tamales and Tavola.
