

# Eating Halal at UMass

## Halal Options on Campus

- During the academic year, our Halal station is offered at Worcester Dining Commons, located in the northeast part of campus located near Northeast and Orchard Hill Residence Halls.
- Harvest Market in the Campus Center also serves Halal food.
- During summer orientation when students are on campus, the Halal and Gluten Free stations are combined into one station on the weekends at the Dining Commons.
- Halal options (chicken, fish and vegetarian dishes) are available in the dining commons as long as there is no alcohol or pork in the recipe. Please look for the halal icon (see next page).
- Halal deli meats are available in Hampshire and Worcester Dining Commons.
