## Halal Options on Campus

- If you have any questions or concerns, please ask a cashier to call the manager so they can assist immediately.
- During the academic year, all options are halal at our Tandoor station in Worcester Dining Commons, located in the northeast part of campus.
- Halal options (chicken, beef, lamb, fish, and vegetarian dishes) are available in all dining commons. Please look for the **Halal icon**:
- Enzymes in cheeses and breads have been researched. The Halal icon will appear on the menu signage if it is microbial enzymes. Animal enzymes/rennet will not have the Halal icon.
